

Map Guide to the North Country Trail in the Sheyenne National Grassland

| Trailhead Coordinates (WGS84) | | | |
|-------------------------------|-------------|-------------|--|
| West | 46.39901° N | 97.46870° W | |
| Highway 27 | 46.44164° N | 97.40675° W | |
| Middle | 46.47502° N | 97.34304° W | |
| East | 46.52362° N | 97.20326° W | |
| Ekre | 46.55343° N | 97.13704° W | |

Trail Information: The North Country and Oak Leaf Trails in the Sheyenne National Grassland are graveled, single-track, multi-use, recreational trails open year-round to non-motorized uses such as hiking, mountain biking, horseback riding, cross-country skiing, and snowshoeing. The only exception is a 4.2-mile segment from the Ekre Trailhead to the first junction with the Oak Leaf Trail, which is not graveled and is open to foot travel only. The Ekre Trail, which is not on the Grassland but is connected to the North Country Trail, is also open to foot travel only. Motorized use is prohibited on all trails.
