

Map Guide to the North Country Trail and the Oak Leaf Trail in the Sheyenne National Grassland

Trail Information: The North Country Trail (31 miles) and the Oak Leaf Trail (2.25 miles) on the Sheyenne National Grassland are marked, gravelled, single-track, multi-use, recreational trails open year-round to non-motorized uses such as hiking, horseback riding, mountain biking, cross-country skiing, and snowshoeing. The segment of the North Country Trail on private land from the Ekre Trailhead to the Grassland boundary (3.5 miles) is not gravelled and is open to foot travel only. The Ekre Trail (2 miles), which is on the Ekre Grassland Preserve and is connected to the North Country Trail, is not gravelled and is open to foot travel only. Motorized use is prohibited on all trails year-round.
